

Interview Experience

Name: Deepthi V

Reg No: 2018115023

Company: Citicorp

Month & Year: September 2021

Round 1 (Online test):

It was conducted on Amcat platform. The test had 4 sections – Aptitude, Verbal, technical MCQ and coding. There were 2 coding questions – print a trapezoid pattern and a graph question.

Round 2 (Technical):

It was held over Zoom. There were two panelists and the interview went on for 30 minutes. Some of the questions were:

- Tell me about yourself
- A detailed talk about my projects and the technologies used.
- What makes you project different from already existing applications?
- Tell me about the time when you had a team conflict and how did you solve it?
- Convince me to take over your project
- If you were a project manager, what would you do if your team member makes a mistake?
- What would you do if you can't meet a deadline?
- What would you bring to the team?
- What is your weakness in a team environment?
- Do you have any questions?

Round 3 (HR interview):

It was held over Zoom. Some questions were:

- Tell me about yourself
- Tell me about the time when you encountered a problem and how did you solve it?
- Why Citi?
- Why do you prefer Citi over other product- based companies?
- Do you have any questions?
