

ALSTOM TRANSPORT INDIA LIMITED

Alstom is a French multinational company operating worldwide in rail transport, passenger transportation, signalling and locomotives, with products including the AGV, TGV, Eurostar, and Pendolino high-speed trains, in addition to suburban, regional and metro trains, and Citadis trams.

Today, Alstom in India employs close to 5600 people and in line with Government of India's 'Make in India' initiative, Alstom has been investing heavily in the country in producing world class rolling stock, components, design, research and development to not only serve the domestic market, but also rest of the world.

Alstom placement process consists of 4 rounds:

Round 1 : Aptitude , verbal Reasoning , Logical Reasoning.

After completing the first round, students were selected for Group Discussion Round.

Round 2: Group Discussion Round

A team of 8 members were participated in Group Discussion Round. Topics were mostly about current Affairs, technologies and General topics.

Topic was given by the panel ; we h 5 minutes for preparation.

Round 3: Technical Interview

1. Introduce yourself
2. Project Explanations

Briefly described about projects in the resume.

3. Solve two programming questions. (where two programs were easy level)
 1. Reverse linked list
 2. Reverse the words in a string
4. Which subjects do you like the most ? and justify your answer.

5. Which programming language are you comfortable with? And Reason?

These were questions asked me in the Interview(about 30 mins).

Round 4 : HR

The HR round was very casual as compared to other rounds. They are just trying to get to know more about yourself. Be confident throughout the process.

- 1 . Tell about Yourself
2. What do you think you could have done better in college ?
- 3 . What do you think you could have done best in college ?
4. Why do you choose Alstom?

Topics to be Focused:

- Data Structures
- Database Management Systems
- Operating System
- Aptitude

Hope this will helpful for your placements

Thank you and All the best
